

BREAKFAST AT PACKWOOD COURT

We invite our guests to our dining room to relax on our soft leather settees and enjoy any time of day.
We have lots on information here for you to make the most of your stay with us.

We try to locally source all our ingredients .
Our bread is baked by Laugharne Bakery. (Delicious!)

All our eggs used are Free Range Eggs,
We are hoping to have our own chickens this year, so we can have all the free range eggs our guests could want.

We only use local Butchers sausages.

Of course 'Welsh Tea!'
